Wee Ones & Family Dance

10:30 - 11:45am: Senior Class (12-20 yrs)

Teenagers are quick to learn and thrive on challenge. While having fun, the focus is on increasing complexity in steps, patterns, and dances. New friendships are formed and leadership skills develop within a popular, centuries-old, world-wide dance tradition. Teens participate in class parties, festivals, demonstrations, and balls. To quote a Rosedale teen: *"The feeling that you are a part of something so big, and special, and floor-shaking never loses its magic!"*

Dance Scottish: Sept - May; Saturdays at Rosedale Presbyterian Church, 129 Mt Pleasant at South Drive

Or contact Moira: smkorus@sympatico.ca

9:45 - 10:45am: Intermediate Class (8-11 yrs)

Music, dance steps, and formations are the foundations of this class. Students are gradually challenged to learn more complicated figures and dances. They have fun while developing teamwork, social, and performance skills. On party days, this group LOVES to show parents and grandparents how to dance! Two favourite events are the annual Christmas Dance and the Youth Ball.

9:00 - 9:45am: Wee Ones (4-7 yrs) & Family

Wee ones (and willing parents) learn to listen to, and move with music, and work as a team while learning basic dance steps and formations. Be prepared for lots of giggles. Older youth develop leadership skills and gain in confidence as they help their younger classmates. Youth show off their talents at special events, seniors' homes, and Festivals.
