

# Stornoway Weekend of Scottish Country Dancing

Fri 15th – Sun 17th June 2018

Lews Castle, Stornoway,  
Isle of Lewis HS2 OXS

***We strongly recommend booking your accommodation as soon as you have confirmation of a place on the weekend.***

## Accommodation 1: Staying in the Castle

Lews Castle is run by a company called Natural Retreats, who manage luxury properties all over the UK, Europe and North America. You can see more pictures of Lews Castle on their website [naturalretreats.com](http://naturalretreats.com)

The Castle has 23 bedrooms arranged as one, two and three bedroom apartments. All the rooms are either double or twin. All are decorated and furnished to a very high standard. The prices compare very favourably with other hotel and bed and breakfast accommodation. For example, the cheapest apartment costs c. £44 per night per person for 6 people in one of the 3-bedroom apartments. The most expensive is a superior 1-bedroom apartment costing c. £100 per person per night. There are different rates for the apartments depending on the size of rooms and the view. Some rooms at the front of the Castle have stunning views over the bay while others look on to woodland at the sides and back. Some rooms are larger than others and this is reflected in the price.

Most of the apartments have full self-catering facilities and come with basics such as tea, coffee, bread and milk, but breakfast is available at an extra cost in the Castle café. The local Tesco is open until midnight and the Cooperative until 10pm.

On the website you can book only whole apartments, but we have come to an arrangement whereby for this weekend two people can book individual rooms within the apartments. You should specify whether you want a double or a twin room when booking. Ring or email the contacts below to book.

So, if you are two people you could book a one-bedroom apartment.

If you are a group of four, you could book a two-bedroom apartment.

If you are a group of six, you could book a three-bedroom apartment.

If you don't mind sharing an apartment, just mention this when you book.

There are no single rooms.

## Accommodation 2: Staying in the town

For dancers not wishing to stay in the Castle or unable to get a room there, Stornoway has several hotels and a number of bed and breakfast places. There is also accommodation in surrounding villages. A good value hotel only a couple of minutes walk from the Ferry Terminal is the Caladh Inn. Check the usual hotel websites for prices and availability. The following are all listed by the local tourist office.
