## Have some reel fun

### Beginner classes start in September & January

Scottish country dance is the traditional social dance of Scotland. We dance lively jigs and reels and the stately, distinctively-Scottish Strathspey. Scottish country dance is great fun for young and old but it *IS* challenging, mentally and physically.

Classes run in two 10-week semesters: September and January. Cost is reasonable. You don't need a partner because we change partners every dance anyway. Not many activities combine such great exercise with a strong social aspect, and so much fun!

### Classes in various locations around the GTA

Teachers are accredited by the Royal Scottish Country Dance Society, Edinburgh. RSCDS Toronto is a not-for-profit affiliate of the Society.
