Do-it-yourself Marketing . . .

- print
- cut
- fold in half...

Voila! A compact business-card-size 'brochure'. Keep a couple in your wallet because word-of-mouth is effective marketing, and when talk turns to dance, as surely it shall, you have a convenient *aide-memoire* to pass along. The notion is to send interested folk to dancescottish.ca, where all the info they need will be found.
